

PERMISSION BLANK FOR VERMILLION TRIPS

In order to help parents, children, and the schools, we are asking for your written consent to take your child on trips in the Vermillion area during the elementary school years. This authorization will eliminate the need for special permission before each trip and will assure each child an opportunity to be included in such excursions. An attempt will be made to inform the parent of the times and the places that the class may visit. Generally, these trips are made during pleasant weather when children can walk. As much care and protection is exercised on the trip as in the classroom or on the playground.
