Tanager's

Online Tanager Spirit Store

Allow up to 2-3 weeks after the closing date to receive clothes. Clothes can either be conveniently shipped directly to you for a shipping fee, or can be sent to the high school for no additional shipping fees. A booster member will send out an email with information on a pick up date at the high school after apparel has arrived. If you are unable to make the pick up date your apparel can be picked up at the high school concession stand/spirit store on game days.

Contact Ambush directly for questions regarding your orders.
garrett.ambushapparel@gmail.com

20% of sales will go to the booster club or to individual sport teams to help our tanager athletes!
